

GGIA GALA

# an evening in Savannah

OCTOBER 23, 2010  
MIGHTY EIGHTH AIR FORCE MUSEUM

One of the Worlds Most Powerful  
Museum Experiences

The Inaugural GGIA Gala will take place this fall at the elegant and historic Mighty 8<sup>th</sup> Air Force Museum. An Evening in Savannah” is manifold in its purpose. First, the association wanted to recognize those donors of the Partnership in Sustainability campaign, an on-going campaign to provide sustainable funding for the important work of the association beyond what membership dues provide. Second, it also serves as a fundraising event offering additional opportunities for industry members to support the association. Third, and perhaps the most important purpose, is to provide a fun, relaxing way to fellowship with like-minded industry folks. No one better understands the tough times that this industry has endured and continues to endure better than other members of the industry. We owe it to ourselves to take a little time from the ever-present issues and concerns that we all face.
